TRAINING CENTER

Instructor

***Michael Smith**-Technical Training Specialist*

Michael is the Baystate Roads Technical Training Specialist. He was a Highway Superintendent for 20 years where he developed and implemented modern road maintenance techniques. Mike was responsible for day to day operations and long range planning for the municipality. Before retiring in 2015, Mike was also a firefighter for 34 years. He is a lifelong resident of Heath, Massachusetts, whose teaching style includes a healthy portion of humor and student interaction.
