## About

This workshop provides a comprehensive hands-on learning experience that covers everything you need to know to effectively use the RSMS 11 software. RSMS 11 is an extremely productive tool for turning inventory and road surveys data into a professional road system maintenance plan with minimal effort. No prior experience with any version of RSMS is required.

## Audience

Road Foreman  
Administrators  
Managers of record management  
Manager of capital planning  
Max 14 students per workshop

## Class Running Time

8:00 - 8:30 am: Registration  
8:30 am: Workshop Begins  
11:30 am - 12:00 pm: Lunch (provided by VLR)  
3:00 pm: Workshop Ends

## Locations

September 27, 2016 - Berlin VTTC  
September 28, 2016 - Highgate VTrans  
September 29, 2016 - Mendon VTrans
