

Town of Colchester
Mechanic II
\$32.05 - \$35.20/hr. DOE
Excellent benefits package!

Dept. of Public Works has a full-time opportunity for an experienced Mechanic II with advanced knowledge of equipment maintenance, diagnostics and repair, to include heavy equipment, emergency service vehicles and small engine repair of gasoline and diesel-powered engines.

Successful applicants will have a minimum of eight years of related experience, the ability to diagnose specific problems to determine the correct repair, and maintain accurate parts and labor records. A valid Commercial Driver's License is required.

Town provides all tools required to perform the job. This full-time opportunity offers work/life balance, with a Monday thru Friday, 7AM – 3PM schedule. Opportunities for overtime.

If you take pride in your work and enjoy working as part of a fun, collaborative team, we want to hear from you!

To view a complete job description and apply online or to print an Employment Application, please visit <https://colchestervt.gov/321/Human-Resources> today! Paper applications are also available by visiting the Town Offices at 781 Blakely Rd., Colchester, VT 05446.

Position open until filled. Equal opportunity employer.
