Buildings & Grounds Worker/Public Works Maintainer

This is full-time employment in semi-skilled work of moderate complexity in public works. Work involves performing a wide variety of manual, automotive and equipment operation tasks involved in municipal right of way, public infrastructure maintenance and building and grounds maintenance.

Work is performed under direct supervision. Position requires a minimum of a Class B CDL license, which must be obtained within the first six (6) months of employment. Some building and grounds maintenance experience preferred but training will be provided for the right candidate.

As this position is shared by the Highway and Recreation and Parks Departments, flexibility is required in order to respond to the needs of each department as directed by the Public Works Director of Operations.

Complete job description and application may be obtained on-line at www.townofmiddlebury.org, at the Municipal Building, 77 Main Street, or by calling 388-8100, Ext 202.
