

## **The Town of Bolton**

### **Highway Department Job Openings**

Bolton's Highway Department is recruiting. The Town is looking to hire a new both a Road Commissioner and an Equipment Operator Maintenance Technician. These positions are all full-time and come with excellent benefits packages meaning hired candidates will work 40 hours per week with seasonal overtime during the winter months, pay commensurate to experience.

Suitable candidates will have previous experience working with mechanics, operating heavy machinery/equipment, and a CDL. Candidates who may be missing one or more of these requirements are still welcome to apply.

If you are interested in applying, or want to find more information, please go to the Bolton Town website, found at <https://boltonvt.com/about/employment-opportunities/>, to see the full job descriptions. Interested applicants can send their resumes via email to [townadmin@boltonvt.com](mailto:townadmin@boltonvt.com) or you can stop by the office in person to drop them off. If you aren't interested, please help us find the right people for these positions and spread the word.
