

Chief Wastewater Operator

The Town of Hartford Vermont is seeking a qualified, experienced candidate for the position of Chief Wastewater Operator to manage the WRJ/Hartford and Quechee wastewater treatment systems. This includes Wastewater treatment plants, community sanitary systems, and sanitary distribution systems.

Minimum qualifications include a Current Vermont Grade 3DM Wastewater Certification, high school diploma and 5-7 years of relevant experience or an equivalent combination of education and experience. The ability to supervise two Assistant Chief Operators and related staff, a valid driver's license, the ability to operate and repair equipment and be a team-player who is self-motivated.

This is a full-time position where pay is commensurate with experience. Compensation ranges from \$32.06 to \$43.27 per hour.

Benefits include VMERS retirement plan, health, dental, and life insurance and 14 paid holidays. Submit cover letter and resume application to: Town of Hartford Department of Public Works, Attn: Bryan Gazda, Director, 173 Airport Road, White River unction, VT 05001 or dpwinfo@hartford-vt.org.

Applications will be accepted until the position is filled.
The Town of Hartford is an Equal Opportunity Employer.
