

Chittenden Solid Waste District - Maintenance Operator

CSWD's Maintenance Department supports operations through maintenance and transporting materials. This position does a variety of tasks including basic electrical/plumbing/carpentry skills, mowing, plowing, landscaping, front-end loader operation, basic vehicle maintenance, and food scrap and other materials transport. Our new hire will be a versatile, handy team player that pays close attention to detail, follows instructions, and has a minimum of two years general maintenance experience. A CDL is a strong plus, but not required. \$22-\$24/hour with an excellent benefit package.
