Trainings Within the LMS

VLR eLearning Flagger Certification
We have completed an eLearning version of our Work Zone Flagger course. It meets the requirements established by the Manual on Uniform Traffic Control Devices (MUTCD), the Occupational Safety and Health Administration, and Vermont standard requirements. This enables municipal employees to complete the course in our Learning Management System and receive a flagger certification card via mail.

The full course will take from 3-4 hours to complete. It has 4 modules each with a quiz at the end, after completing the 4 modules there are 4 drag and drop scenarios to demonstrate adequate understanding of work zone setup, and finally the exam at the end.

Roads Scholar Category - 4 Safety hours

Rivers & Roads Tier I
This eLearning discusses river terms and concepts to provide a background for the Tier 2 class. The eLearning may take 30 minutes to an hour to review and includes some quick quizzes that are not recorded but provide immediate feedback for the user.

Rivers Scholar Category - 1 Environmental hour

**Rivers & Roads Tier III**

*Note: Tier I and Tier II Rivers and Roads trainings are a prerequisite to register for Tier III.*

- Each training subject is a one-day class. There is no requirement to take them all and/or one topic prior to the other.
- Participants are encouraged to review the “Vermont Standard River Management Principals and Practices version 1.3” prior to the trainings.
  [http://dec.vermont.gov/watershed/rivers/river-management#principles](http://dec.vermont.gov/watershed/rivers/river-management#principles)
- There will be options for both in-person and remote participation. We encourage in-person participation, if possible, but we hope this will provide all who are interested a chance to join us. Links and information will be provided to participants as we get closer to each training date.

VTrans Training Center is hosting these workshops.

**TC3 (Transportation Curriculum Coordination Council)**

Did you know that AASHTO has an agreement with the Federal Highway Administration (FHWA) to provide training to local agencies and tribes? The AASHTO TC3 has helped to develop hours of training in almost all highway areas from constructing a project to maintenance. In just a few clicks you can view information on plan reading, math, project inspection, and so much more. There are courses for everyone from new employees to managers, so whatever your position is, it’s likely that TC3 has information for you. To find applicable trainings, search in the LMS ‘TC3’ or ‘AASHTO’, or by searching for a specific topic.

Take a TC3-developed course in:
- Construction
- Materials
- Employee Development
- Pavement Preservation
- Maintenance
- Traffic and Safety
- Winter Operations

If you are having issues with logging into the Learning Management System please email [vermontlocalroads@vermont.gov](mailto:vermontlocalroads@vermont.gov) or request your credentials here.

**VLR Past Webinar Recordings**

*Now Available:* Recordings of past VLR webinars are now available on our [website](http://www.vermont.gov/lr). They are categorized by Roads Scholar category (Environmental, Equipment, Safety, Supervisory or Technical).
Featured recording for this month is "Show Me the Money".

**Tailgate Talks**

Vermont Local Roads in partnership with the Vermont Agency of Transportation (VTrans) is proud to announce the relaunch of “Tailgate Talks.” These are intended to be brief 10-15 minute presentations of information, exercises, and opportunities to review important workplace policies and procedures with staff members.

"To Review as a Group:" Use the PDF to the right, once reviewed as a group, please send a sign-in sheet of names to the VLR team. We will enter those names into the LMS to have the tailgate talks added to your transcript.

Search for "VLR Tailgate Talk" to watch recorded tailgate talks via the Learning Management System. We have Chainsaw Safety and Stress Management available.

**News & Resources for Municipalities**

In this section you will find news, resources, and sharing from other partners for municipalities.
